Leading companies in the business world manage their human capital as strategically as their financial capital, therefore bring their HR leaders into the strategic decision making processes. In today's business world, HR is not an operational function within the organization, but a strategic business unit that has significant implications for achieving corporate objectives.

Emerging Leader CHRO – Strategic HR Management Certificate Program,

unlike conventional HR trainings, develops its participants in order to be able to; strategically evaluate challenges and opportunities within the market, analyze organization-wide concerns and objectives, enable to position the HR function in a strategic role to lead organizational development and growth. After the program, you will return to your organization, with a robust set of skills to lead your organization through through new era of talent management and working culture.
